COUNCIL OF THE TOWN OF RIVERDALE PARK, MD

Resolution 2014-R-10

Concerning Prince George's County's maintenance and improvements to the stormwater management system in Riverdale Park

Introduced by: CM Alan Thompson

Date Introduced: July 7, 2014

Date Adopted: July 7, 2014

Date Effective: July 7, 2014

WHEREAS, Wells Run was designed for a 10-yr storm; and

WHEREAS, infrastructure in Wells Run has achieved its lifespan and is in need of restoration; and

WHEREAS, DPW&T is working on a proposal to begin design of a channel rehabilitation program for Wells Run; and

WHEREAS, this program will not address or increase capacity but will update aging infrastructure; and

WHEREAS, there are 527 County-owned stormwater structures in Riverdale Park; and

WHEREAS, the County has not regularly maintained those structures since 2009 due to budget cuts;

THEREFORE, BE IT RESOLVED that the Town Council authorizes the Mayor to send a letter to DPW&T Director and any other appropriate party requesting a) a comprehensive review and evaluation of Wells Run in Riverdale Park to determine if there are design options or alternatives to increase capacity to an event more than a 10-yr storm, and b) funding to reinstate regular maintenance of County-owned stormwater structures in Riverdale Park.

ATTEST:
