
Resolution 2009-R-14

A Resolution Concerning the Creation of a Committee to Work to Insure the Full Counting of all Riverdale Park Residents in the Upcoming 2010 Census

Whereas it is vital to the correct functioning of representative democracy that the inhabitants of the republic be fully and accurately counted in this and every decade's census, and

Whereas it is of great importance to the Town of Riverdale Park that all residents are periodically counted and correctly identified as to their place of residence, and

Whereas it is of major economic, social and political interest to Prince George's County and the Free State of Maryland that all residents are counted for purposes such as the apportionment of representation, and the distribution of aid and services to our communities,

Be it hereby resolved the Town of Riverdale Park does hereby create a "Full Count Committee" which shall be charged with working with any and all federal, state, and local offices and officials whose task it shall be to insure that the residents of Riverdale Park are fully and accurately counted in the upcoming 2010 census. All community members who are willing and eligible for inclusion in the census are welcome to join and participate in the activities of the committee. The committee shall automatically and rightfully dissolve upon the official completion of the 2010 census.
