Ordinance Resolution 2007-OR-07
An Amendment to Section 57-26 of the Code of the Town of Riverdale Park

(Added language is shown in italics)

§ 57-26. Street improvements; minimum standards.

Minimum standards are established for all street improvements, defined as the construction, repair, maintenance, improvement, and opening or closing of cuts in all town streets, which includes streets, curbs, gutters, and sidewalks for all public streets and areas under the jurisdiction of the town.

The minimum standards hereby adopted are those required for road and street improvements in Prince George's County, Maryland, as provided in Title 17, the Prince George's County Code, a copy of which specifications are filed with the town.

The minimum standards may be waived for any section of street, should a supermajority of five affirmative votes of the Council support the finding of extraordinary environmental concerns or undue impact on historic preservation.
